~~the secret~~

Jesus said, "Without me you can do nothing":

[and this is the truth]

I know since I'm a living proof of his mercy & tenderness"

* the secret of a happy marriage is simple:

Just keep on being as polite to one another as you are to your best friends."

* Courtesy is a vital part of marriage and the family. the lack of common courtesey has been a part of a pattern that has caused the deterioration of the courtship of marriage and break down of family.

the taking of the hand for a moment on the street, the opening of the door on the car, the pausing to allow others to go first.... may

seem trivial, but are tremendous in building the integrity of a happy home. [Its the little things that count]

we must make a determined effort to reestablish old-~~fashioned~~ fashioned ~~family~~ family courtesey.

Deliberately design patterns of courtesey.

It will be fun as well as helpful.

thoughtfulness leads to thankfahes.

thankfulness is a plant that grows under the sunshine of spoken words. It develops best in the soil of watchfulness.

Be Oh so selective of your spoken words!

Don't hurt anyone! be kind!

the earnest prayer of a righteous man has great power and wonderful results.
